Living On Campus

Residence Life & Housing

At MCLA, we believe that living on campus sets the stage for student learning. Our on-campus housing provides a living environment conducive to academic pursuits, personal growth, and making new friends (and memories).

Area Coordinators

Each of our residence areas has an Area Coordinator (AC) who lives on campus. They are professional staff members who are responsible for the day to day operations of a residence area and supervise the staff that work in the area.

Resident Advisors

Each of our areas is staffed with Resident Advisors (RAs). These are fellow students who are there to help students get involved, build community through programming, and ensure the safety of the residential community. The paraprofessionals are a great resource for all students.

Our Residence Areas

Hoosac Hall

About

Hoosac Hall is a traditional residence hall. There are seven floors with doubles and a limited number of singles. Each floor has three bathrooms and two lounges. Alcohol is not permitted in Hoosac Hall.

Who can live there?

First Year Students, Transfers & Returning Students

Flagg Townhouses

About

Flagg Townhouses are an apartment style complex. Four to six students share a full kitchen, living/dining area with private bathrooms in each apartment. Alcohol is permitted only in approved apartments.

Who can live there?

Transfers & Returning Students

Berkshire Towers

About

Berkshire Towers is a suite-style building. Each floor has three suites with three to five bedrooms, a bathroom and lounge. There double rooms and a limited number of singles. Alcohol is not permitted in this building.

Who can live there?

First Year Students, Transfers & Returning Students

Berkshire Towers is currently off-line.

Helpful Information

Meal Plans

All students living on campus are required to have a meal plan. For more information please visit the Campus Dining page on our website.

Accommodations

If you are in need of housing accommodations all students must go through Disability Resources. If an accommodation is approved, Residence Life & Housing works with the student to meet their needs.

Parking on Campus

Parking is available to students on campus on a first come first serve basis. Students must apply for a parking permit with Public Safety. There is a fee to park on campus that is due each semester.
