MCLA Presidential Search Committee Charge

The Trustees are appreciative of your willingness to serve on the search committee for our next MCLA president. Your charge is to recommend to the Board candidates for the next President of MCLA.

The candidates should be individuals who can lead MCLA into the future; a president who supports the liberal arts mission of MCLA and understands the important role a liberal arts education has in society; a president who supports equity, inclusion and belonging and understands its importance; a president that will grow MCLA's enrollment and raise revenue; and a president who supports all members of our campus community.
